

# Participate in a new study looking at improving monitoring for people taking lithium

Are you:

- *Aged over 18?*
- *Receiving care in one of our Trusts (below\*)?*
- *Taking lithium or about to start taking lithium?*
- *Interested in taking part in a research study where you may try a new way of having your lithium monitored for up to 6 months?*

Then you might be eligible to take part in a new research study.

If you are interested in hearing more, please contact us at [lipoc@kcl.ac.uk](mailto:lipoc@kcl.ac.uk) or scan the QR code below.
